MATERIAL SAFETY DATA SHEET

SAFETY DATA SHEET

1. Product and Company Identification

Product Identity : Dispersion based adhesive

Trade Name: DERMAL LOC
Manufacturer/Supplier: Professional Hair Labs Inc.
Address: 4775 ALLEN RD
ZEPHYRHILLS FL 33541

Phone Number

(U.S.A.) 1-800-778-4247
813-788-7475

Fax Number:

(U.S.A.) 813-788-7983

2. Composition/Information on the Components

Acrylate/Copolymer-dispersion

3. Hazard Identification

Main Hazards: None when used for intended purpose

4. First Aid Measures

First Aid-Eyes: Flush eyes with copious amounts of water
First Aid-Skin: Rinse with cold water and wash with soap
First Aid-Ingestion: Drink plenty of water, seek medical advise
First Aid-Inhalation: Not Applicable

5. Fire Fighting Measures

Suitable for all regular extinguishing media. This product is not flammable so only necessary to attend to source of fire.

6. Accidental Release Measures

Personal: Danger of slipping
Environment: Do not allow to enter drainage system without flushing with copious amounts of water

7. Handling and Storage

Storage: Store in a cool frost free place

8. Exposure Controls/ Personal Protection

Hand Protection: None required
Eye Protection: Goggles where necessary
Body Protection: None required

9. Physical and Chemical Properties

Physical State:	Liquid
Colour:	White
Odour:	Characteristic
Ph:	At 20 degrees Celsius – 6-8
Flash Point:	Aqueous preparation
Explosion Limits:	Not applicable
Auto-flammability	Not applicable
Solubility:	Soluble in water-unlimited
Viscosity:	7000-11000

10. Stability and Reactivity

Conditions to Avoid:	None Known
Materials to Avoid:	None Known
Hazardous Decomposition:	None Known

11. Toxicological Information

According to toxicological analysis the product has been classified as non-hazardous to health.

12. Ecological Information

Non Bio-degradable. However not harmful to the environment.

13. Disposal

Usual non hazardous waste management

14. Transport Information

Class: No special labeling required
Packaging Group: Non specific/ Non Hazardous

15. Regulatory Information

EC Classification: NON-HAZARDOUS

16. Other Information

MSDS First Issued: Dec-2001

Other information

n.a. = not applicable n.s. = not subject to

Dermal Loc has been developed for use as a pressure sensitive adhesive for bonding Hair Replacement Systems to skin etc. If Dermal Loc is to be used for another process, the user should verify, by means of tests etc, that the product is suitable for the intended application.

The above information describes exclusively the safety requirements for the product(s) and is based on our present-day knowledge. It does not represent a guarantee for the properties of the product(s) described in terms of the legal warranty regulations. The delivery specification is to be found in the respective product leaflet.

The information contained in this sheet does not constitute a hazard assessment, and should not be used in place of the user's own assessment of workplace risks as required by other health and safety legislation. Our data and suggestions are based on information which we believe to be reliable. Users should verify by tests that our product as well as suggested methods are suitable with the product / materials being used in their application. Since specific use, materials and handling are not controlled by us, our warranty is limited to the replacement of any defective product supplied by us. Full technical support is available from our trained sales staff.
